RICK SCOTT  
GOVERNOR

Mr. Richard Geisinger, Jr.  
President  
Martin County Taxpayers Association  
P.O. Box 741  
Stuart, Florida 34995

Dear Mr. Geisinger:

Thank you for contacting Governor Rick Scott. I have been asked to respond to your letter regarding recommendations on government reforms.

The Governor has made similar recommendations to the Florida Legislature regarding the Defined Contribution Plan, the Deferred Retirement Option Plan and the State Employee Health Insurance Program. However, the Legislature has not implemented those recommendations. The Governor recognizes the importance of these policy issues and continues to explore ways to make state government more efficient.

I encourage you to continue to reach out to your legislators to provide the important viewpoint from the taxpayers' perspective.

Sincerely,
